CELSIA

Il timeless nella sua accezione più contemporanea.
La presa sottile ed elegante rende Celsia un complemento discreto e versatile che, a seconda della finitura scelta, abbraccia dal Classico leggero fino al Country e persino Industrial.

*The Timeless series most contemporary expression.
Celsia aims to combine soft Classic, Country and even Industrial style thanks to its sleek design and thin grip.
This feature allows it to convey a certain versatility as a furnishing complement.*

SVEVA

Nella collezione Sveva si ritrova la grazia degli oggetti finemente lavorati abbinata alla pulizia di placche e rosette dal disegno semplice. Questo delicato mix permette alla maniglia di risaltare sulla porta come un elemento prezioso.

Finely refined lines, smooth roses or plates and a graceful design: these are aspects that exemplify the Sveva collection. This mix allows the handle to be elevated on the door as precious aesthetic element.
